- ✓ Accepted Worldwide

1 Visa Photo Requirements

Requirements may vary by country, but most follow similar rules.

- ✓ Size: 35 mm x 45 mm (or as per country)
- ✓ Recent (last 6 months)
- ✓ Full face, looking at camera
- ✓ Neutral facial expression
- ✓ Plain white or light background
- ✓ No shadows
- ✓ No glasses (unless allowed)
- ✓ Head covering only for religious reasons (as per rules)

2 Good vs Bad Examples

See what works and what doesn't for visa photos.

✓ Correct Photo

- Looking straight at camera
- Neutral expression
- Even lighting
- Clear background

✗ Common Mistakes

Looking Away

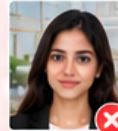

Smiling

Glasses

Shadows

Busy Background

Head Tilt

3 How to Take a Visa Photo (Step by Step)

Follow these simple steps to take a compliant visa photo at home.

1 Use a Good Camera

Use your phone's rear camera in good lighting.

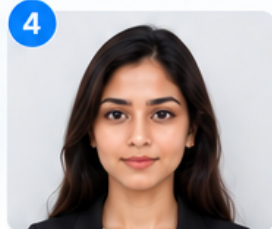

2 Find a Clean Background

Stand in front of a plain white or light-coloured wall.

3 Position Yourself Correctly

Keep your face centered. Look straight at the camera.

4 Use Natural Lighting

Face a natural light source. Avoid harsh shadows.

5 Let Our AI Do the Rest

We'll crop, resize and enhance it to meet visa requirements.

4 Popular Visa Photo Sizes

We support visa photo requirements for all major countries.

USA

UK

Canada

Australia

Schengen

India
